## ABOUT ME:

I am a high school student who aims to solve problems and provide insights using data. I was interested in computer science and mathematics from a young age. I am primarily interested in data science, specializing in Machine Learning(ML) and Natural Language Processing(NLP). My GitHub page contains most of my learnings, interesting projects, and analysis I have done.

## KEY ACCOMPLISHMENTS

- DataCamp Certified Data Scientist 
- Tableau Intermediate Level 
- Grade 3 Trinity Guitar Player
- Introduction to Machine Learning by Duke University 
- Accepted into IADS Summer School by the University of Essex
- Participated in Ashoka University's Young Scholars Program
